

**Technical Capabilities and Experience Matrix**

In accordance with RFP provision L-2, paragraph (c)(4) Factor 1, complete and submit the following matrix. For each SOW technical area, the offeror shall indicate experience by placing an “X” in the applicable column(s). The column width and depth may be expanded, as necessary. Additional rows may be added to the table below to cite additional references if desired. The offeror shall provide a narrative for each reference cited to show its relevance to the specified SOW technical areas not to exceed a total of four (4) pages including the below matrix.
